"Soladitas Romanas," better known as Latin Club, is directed by Miss Winifred Cummings and is made up of Latin students on the SS East. The authentic Roman banquet, held in the mess hall, is the highlight of the year. The meal is eaten with the fingers in the old Roman style.

Spanish Club

Miss Frances Brewer is advisor of the Spanish Club which is open to anyone who is or has been a Spanish student. Meetings are held the first and third Wednesdays of every month. Much laughter and gaiety goes into these meetings, making them extremely interesting.

Booster Club

East High can't help but win every time with a group of high spirited, determined boosters backing them in every event. This group is the first to attend each event, the loudest under the leadership of capable Cheerleaders, and an example of East High Spirit.

Hi-Y Club

A good example of the handsome good-looking, capable, affable, efficient, accommodating boys at East High, are these members of the Boys' Hi-Y Club. This club, closely associated with the Y. M. C. A., is under the supervision of Gus Rump.

Sponsored by Mr. J. A. Seever, the Chess and Checkers Club is another means of finding entertainment on the SS East. The club meets whenever a game of checkers is desired, and at the end of the semester turns out a very proficient checker team.

Fellowship Club

In place of the usual noon movie, the Fellowship Club offers a spiritual guidance to all those that are not movie minded. Their meetings consist of musical numbers, choruses, and an occasional special speaker. The SS East has something for everyone.

Cadet Teachers

These Drake cadets have been training to become teachers during their visit aboard the SS East. They learn things in a classroom that are impossible to learn from a textbook. As they gain from their experience, we prosper from their help.

Student Teachers

Mr. Charles Gregory chooses a group of seniors each semester to be student teachers. They take over in a classroom during a teacher's absence, and assume full responsibility.

Band

The East High band is under the supervision of Mr. Jack Borg. In the band there are 75 hard-working musicians, who lend inspiration in assemblies, football games, and basketball games. Our drum major, Larry Vranich, leads the band in their maneuvers during football games.

Under the leadership of Miss Sigrid Greenhill, our A Cappella Choir and Girls' Sextet furnish much of our entertainment on the SS East. Both groups entertain off ship as well as on ship. They are asked to sing in many ports and are warmly accepted. It is indeed an honor to be a member of either of these groups.

Girls' Glee Club

The girls' glee club on the SS East keeps all the passengers happy with the beautiful music they sing. Under the very capable direction of Miss Sigrid Greenhill, they learn the fine points of singing and by so doing earn everyone's praise.

Boys' Glee Club

Boys, all you good mates of the SS East, be sure, if you have the opportunity, to try out for the boys' glee club. There is a lot of things that can be learned about singing, and all the fellows have a grand time learning. Miss Sigrid Greenhill directs the club.

All-School Play

The crew and passengers aboard the SS East were entertained on this voyage with the play "Our Miss Brooks." It was a big success because of the expert directing of Mrs. Juniata Laser and the help of the wardrobe and make-up girls.

Deck Guards

The hall monitors are a very important part of life on the SS East. After and between hours they are our protectors. Always on guard for anyone that is offside or overboard,

they spread the alarm to every officer on board. They are selected by various teachers to give up their leisure hour for duty and thus render a valuable service.

CUSTODIANS

Row 1: Malaney, Day, Darnell, Bjork; Row 2: Walker, Viggers, Croll, O'Neel.

Custodians

The custodians on the good ship East make sure the decks are swabbed. They also make general repairs aboard the ship. We appreciate the fine work they do.

Cafeteria Ladies

The ladies in the kitchens prepare the food which is eaten in the mess hall. These very fine cooks are under the extremely capable direction of Mrs. Wigenjost.

CAFETERIA LADIES

Nurse's Helpers

Mrs. Alice Clark, our school nurse, is assisted by girls each semester who learn while they help. These girls work and donate their time giving service to the sick aboard the SS East. If you ever get seasick, Mrs. Clark is located in cabin 122.

Library

Miss Carrie Larson

There isn't a better place to catch up on one's reading than in the library of the SS East. These students will check out books to all at any time during the day. Miss Carrie Larson, the school librarian, is willing to help if there is any difficulty in choosing a book.

These students do a splendid job in choosing the films that are shown every noon. Their faithfulness is appreciated by all the passengers who view these movies. We all agree that they have excellent taste.

Assembly Ushers

These happy looking students are the assembly ushers of the "East." They are chosen by Mr. Gregory, their homeroom teacher. Our assembly ushers have done a good job this semester.

Clerical Staff

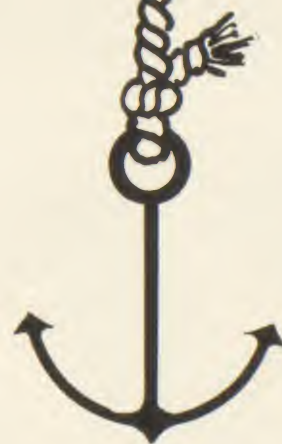

The clerical staff works very hard in the office helping to keep the records straight. These girls are selected from the typing and shorthand classes. They enjoy this work in the office getting practical experience.

Row 1: Morgan, Huss, Ryun, Miller, Steppuhn, Welsh, Roush, McConnell; Row 2: Kuefner, McCall, Richards, Perry, Fisher, Kettells, Glazer, Warren; Row 3: Power, Harper, Kline, Thompson, Peterson, Andersen, Anderson.

Row 1: Simpson, Stermole, Cockayne, Caffrey, McGee, Jacobson, Fontanini; Row 2: Jessen, Larson, Gonner, Ballard, Biddle, Orr, Chastain.

Basketball

This year's basketball team got off to a fast start but mid-year graduation losses crippled the team considerably. The slack was taken up quickly, however, and the team continued to play good ball. Although they didn't win all their games, they always gave a good account of themselves with their East High spirit and sportsmanship. Overtime games with North and Tech gave evidence of the fighting spirit which the team possessed. One of the highlights of the season for the players and the loyal supporters was the overnight stay in Mason City because of a bad snowstorm.

Second Basketball Team

Much work and little recognition are the plights of our second basketball team. This year's team did a splendid job, winning the city series with a 7-1 record. The loss of Dick Jessen in the middle of the first semester was a serious handicap to the team. However, spurred on by the splendid playing and teamwork of the boys, next season should prove successful.

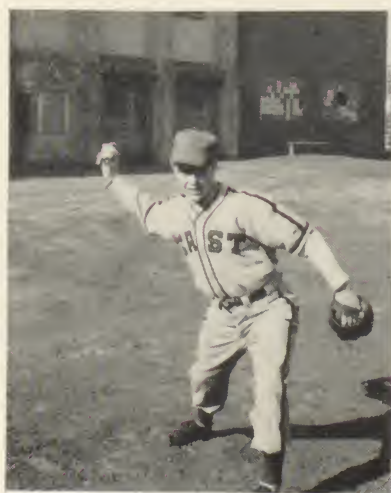

Row 1: Blanchard, Perry, Maigaard, Galpin, Cisna, Hartung, Sisam, Larson, Ross; Row 2: Mitchell, Prichard, Frazier, Wheeldon, Pearson, Swain, Clark, Paterson, Coach McAdam.

Row 1: Seymour, Fuller, Mahaffey, Hall, Cockayne, Spong, Kellogg, Jones, Foote; Row 2: Coach Savage, McGee, Rodgers, McLain, Caffrey, Rider, Orr, Reese, Potter, Dove.

Baseball

The baseball team started practice early in March this spring under the direction of coach Bob Savage. The team worked hard and developed into a fine defensive as well as offensive ball club. Almost all of the boys on the team worked together last summer in American Legion Ball and results of this have shown up in sparkling all-around play. The team ended the season with a goodly number of victories.

Row 1: Hartung, Prichard, Thalacker, Johnson; Row 2: Smith, Huth, Schrock, McGavran, Gewerth.

Boys' Tennis

This year's tennis squad is in the midst of a satisfactory season. All the meets have not ended in victory for the Scarlet, but all of their opponents have a deep respect for the team's power. They are coached by Mr. Raymond Gewerth.

Girls' Tennis

Girls accumulate points toward a G.A.A. monogram by playing tennis. The season is not yet completed, and there will be other meets for the girls to demonstrate their ability. Miss Helen Spencer is their coach.

Row 1: Wetzel, Miller, Daman, Johnson; Row 2: Jensen, Spong, Thompson, Harper, Reeves.

Girls' Golf

As part of the G.A.A. program at East High, the girls of the school compete for golf honors with teams from other schools. This spring our squad could have shown better in the standings, but the sportsmanship demonstrated by them has been a credit to the school.

Row 1: Peterson, Neese, Ives; Row 2: Reynolds, O'Brien, Yost, Lans.

Boys' Golf

Boys' golf at East High is enthusiastically enjoyed by the boys who comprise the squad. They practice after school at Grandview course, occasionally journeying to the Waveland course. The season's scorecard shows that the boys have had an average season, but their spirit and determination, representative of a fine team, characterize them much better.

Row 1: Peterson, McKinney, Strait, Cappellin; Row 2: Duvall, Bring, Nicholls, Penney.

The Knotsmen

The "knotsmen" sarterd slowly last fall but by January they had a full head of steam built up and they swept the city title away from their closest competition, North. In so doing, the Scarlet wrestlers managed to win decisively by carrying off seven individual first-place titles. The individual weights were: Downey—95, May—103, Winfrey 127, Senecaut—133, Williams—138, Newsome—154, Sharp—165, Fisher—H. W.

Row 1: Packey, Mamo, May, Davis; Row 2: Carter, Williams, Sharp, Fisher, Welch, Senecaut; Row 3: Bring, Smith, Glidewell, Newsome, Derham; Row 4: Smithhart, Thompson, Senecaut, Green, Marchant, Nicholls.

G. A. A.

The Girls' Athletic Association aboard the SS East is under the direction of Miss Helen Spencer. On land or sea, these girls may work toward a letter or monogram. You can find companions willing to share in any sport with you. If you need a little practice with your golf, tennis, swimming, juggling or any sports activity, girls, why not contact Miss Spencer in the gym? This club is in session almost every day after school.

Jesser, Glutz, Rinard, Ives.

Student Mgrs.

The student managers are the ones who make it possible for East High's athletes to have equipment. They are under the direction of Gus Rump and deserve a great deal of credit.

Swimming Teams

Have you been on the after deck of the SS East and seen our swimming pool? If you ever happen to go to that section of the ship be sure to stop in and notice the excellent performance of the boys' swimming team and also the timed teamwork of the newly-organized girls' synchronized swimmers.

"East Startles Track World With Amazing Display of Ability"

This could be the text of any follow-up story on an East Des Moines track meet. Each night after school the track team may be seen working hard in order to achieve the high

standard which they are expected to maintain. Under the able coaching of Mr. "Mike" Augustine the team has earned many honors and trophies for our ship, the SS East.

Dowis, Barsky, McMillen, Hodges

Cheerleaders

A R I

The cheerleaders have always been known as the peppiest boys in school. This year's representatives are no exception. Under Captain Lee McMillen's leadership, these boys have directed the organized support of our athletic teams, and done the customary fine job characteristic of East High. Coached by Mrs. Ione Baal, they work as hard on their various turns and twists as many of East High's athletes work on their form. The regular boys on the squad are Lee McMillen, Jim Dowis, Jerry Barsky, and Leon Hodges. This year's alternates are Dave Leonetti and Herman Wolfson.

1953 Harley-Davidson Model 165

A brand new Lightweight with greater power and higher cruising speeds—that's the Harley-Davidson 165 c.c. model for 1953. Its "stepped-up" two-cycle engine attains speeds of 50-60 m.p.h., yet it averages 80 miles per gallon of fuel at normal speeds. The fork rake and trail have been modified for safe handling at the higher horsepower. The "165" has a wheelbase of approximately 51.5 inches. The "Vanasil" piston in this new 165 c.c. motor is of high silicon aluminum alloy. A smart, finned aluminum cover behind the cylinder encloses the carburetor and air cleaner.

FILTER QUEEN VACUUM

When you buy your vacuum cleaner don't buy one that cleans through its own dirt . . . as do all bag type cleaners, regardless of whether the bag be inside or out, of paper or otherwise . . . with a bag cleaner efficiency drops as dirt is accumulated.

FILTER QUEEN, with its patented DIRT SEPARATOR IS the one and only cleaner that does not lose cleaning power as dirt accumulates. FILTER QUEEN cleaning power never drops . . . FILTER QUEEN excels in sanitation . . . And is quieter. Bring this ad to our office, you save solicitation cost. Or call 2-0471 for a free home demonstration and see for yourself why 10,000 Iowa Homemakers like Filter Queen best.

The mountaineer, nicknamed "Creep-Along" Kramer by his neighbors, attended to but one chore a day. He assumed the responsibility of walking down to the river, a quarter of a mile away, and toting two buckets of water back to the cabin he shared with his wife.

This afternoon, when he finally arrived home, his spouse peered disapprovingly into the half-empty pails and said, "Pa, you're either goin' to have to step a mite faster comin' up from the river . . . or figger out a way to overcome evaporation."

A big-time gambler had just died. The funeral was well attended by his professional friends. In eulogy, the speaker said, "Spike is not dead. He only sleeps." From the rear came a voice, "I've got \$100 that says he don't wake up."
